

Double rainbow over Lake Massapoag 2021

KAFKA LEARN TO SAIL SCHOLARSHIP

Bernard (“Bernie”) Kafka, and Susan (“Sue”) Kafka, each passed away unexpectedly. This scholarship is named in their honor. They were both committed to their communities, the people they worked with and served, and most importantly their families. Bernie was a Rotarian and exemplified the Rotary Motto, **Service Above Self**. Sue followed in her father’s footsteps and worked tirelessly to help others to make the world a better place. They would make friends, often lifelong friends, wherever their travels took them. They encouraged, provided guidance, and exemplified the golden rule to “treat others as you would like to be treated”. They had a unique way to make everyone they met feel special and important.

Bernie and Sue also loved to spend time outdoors and appreciated the beauty of nature. Sue was an athlete and enjoyed biking, running and swimming. She raised money, often without recognition, for many charities such as the Pan Mass Challenge, cancer research, and much more. They were both avid sailors and would happily spend hours sailing and exploring Lake Massapoag.

Pursuing dreams, knowledge, and friendships were important to Bernie and Sue, as was encouraging and supporting others to try new experiences. The Kafka Learn to Sail Scholarships at Lake Massapoag will be awarded to individuals who would like to learn to sail and may not be able to do so without encouragement and support. If no candidates apply, monies from the scholarship will be given yearly to the sailing program to assist in purchasing new boats, boat upkeep and repairs as well as camper materials.

To make a donation to the Kafka Learn to Sail Scholarship, please do the following:

- 1. Make the check out to Town of Sharon.**
- 2. Write “Kafka Learn to Sail Scholarship” in the memo line of the check.**
