

Town of Sharon, MA – The Sharon Recreation Department is thrilled to announce upcoming improvements to the tennis and basketball courts at Deborah Sampson Park! As part of this exciting project, these courts will be **closed April 9th until further notice** to allow for construction. We anticipate the reopening of the courts in early August.

During this time, the existing **pickleball courts will remain open** for public use. However, please be aware of the following temporary restrictions:

- A **temporary fence** will be placed near the courts closest to the construction site, positioned just beyond the drain. We urge all players to exercise caution in this area.
- **Court lights will be unavailable** during construction, so play will be limited to daylight hours.

We appreciate the community's patience and understanding as we work to enhance these recreational spaces. The improvements will provide long-term benefits, and we look forward to welcoming you back to upgraded courts soon!
